GMAT/GRE Waiver Regulations

Goizueta Business School requires the GMAT or GRE for all MBA candidates. Candidates applying to the Executive MBA Program may request a GMAT/GRE waiver.

In order to waive the candidate’s GMAT or GRE requirement, the MBA for Executives Admissions Committee should be confident in the candidate’s quantitative preparation for a rigorous MBA for Executives program. In evaluating the waiver decision, many factors are considered including prior academic coursework and grades (specifically evaluating any quantitative coursework), the rigor of the academic institution(s), current job responsibilities, etc. No GMAT or GRE waiver is automatic.

If the GMAT/GRE waiver is granted, it is possible that additional quantitative, pre-program preparatory work will be required.

Applying for a GMAT/GRE Waiver

To apply for the GMAT or GRE waiver, the candidate should submit the following, using the form on the application website:

Scanned Copies of All University Transcripts
- Include all college courses taken whether or not a degree was granted
- Transcripts may be submitted electronically by email or by mail to EMBA Admissions
- Official transcripts may be submitted in lieu of copies – only one copy is needed for both the GMAT/GRE waiver and the application

A Current Resume or CV
- Include specific job duties and functions of each position held after college graduation

A One-Page, Written Request Outlining:
- All quantitative coursework taken during college
- All current job responsibilities that substantiate quantitative preparedness and analytical skills. Include P&L responsibilities, data analysis, etc.
- Relevant certifications that require(d) quantitative preparation. Examples include: Six Sigma, CPA, CFA, PMI

GMAT/GRE Waiver Submission

Completed applications may be submitted via the online form located on our website or via email to EMBAAdmissions@emory.edu.
