At Goizueta, diversity fuels better business results. Below are some of the partnerships that set us apart:

**THE CONSORTIUM FOR GRADUATE STUDY IN MANAGEMENT.** Since 2001 Goizueta’s been a proud member of this alliance of top business schools and corporations, which enhances diversity in business education and corporate leadership. Candidates may apply through The Consortium for both our Two-Year and One-Year MBA programs. Students accepted through The Consortium are considered for full-tuition, merit-based fellowships. Visit cgsm.org

**MANAGEMENT LEADERSHIP FOR TOMORROW.** Goizueta’s an active partner of MLT, which prepares African American, Hispanic, and Native American candidates for admission to the nation’s premier business schools. Visit ML4T.org

Goizueta’s home base is Atlanta, Georgia—a city of more than five million with thriving African American, Hispanic/Latino, and Asian communities—which ranked number one for minority entrepreneurs in 2013.
