Master the Bargaining Table

Learn to master effective negotiation strategies that can be applied in an array of business environments. Develop strategies to influence without authority and transform conflict into collaboration. Feel more confident making tough decisions within the realm of bargaining, improve your ability to close deals more effectively, and enhance your overall negotiation skillset.

**THIS COURSE IS IDEAL FOR...**

- Mid and Senior Level business leaders who desire to improve their conflict management skills
- Leaders, managers, and consultants coordinating across functions, businesses or cultures
- Seasoned professionals who regularly engage in negotiations (both internally and externally)

**HOW YOU WILL WORK SMARTER:**

- Increased confidence in business settlements and bargains while significantly lowering the potential of conflict
- Increased influential confidence to apply in multiple settings including those where your authority may be limited
- Understand conflict styles and settings and calculate the business costs associated with avoiding conflicts
